

# Parc Center for Disabilities Awarded \$375,000

ST PETERSBURG, FL, UNITED STATES, October 24, 2024 /EINPresswire.com/ -- [Parc Center for Disabilities](#) is thrilled to announce the award of a \$375,000 State Appropriation to fund the replacement of its 50-year-old kitchen that currently provides 167,424 meals and snacks to the adults and preschool participants in their care.

Florida State Representative [Linda Chaney](#), a key advocate for this grant, officially presented it to Parc at noon on October 22nd at the center's St. Petersburg campus. The presentation marked a significant milestone in Parc's ongoing mission to support individuals with intellectual and developmental disabilities. The new kitchen will be a cornerstone in maintaining and improving the quality of nutrition provided to Parc's participants, aligning with the organization's commitment to nurturing and empowering those they serve.

“

This grant allows us to continue providing essential, nutritious meals that support the overall well-being of our participants”

*Michelle Detwiler, CEO of Parc*

"This grant is truly a blessing for Parc Center for Disabilities," said Michelle Detwiler, CEO of Parc. "It allows us to continue providing essential, nutritious meals that support the overall well-being of our participants. We are deeply grateful to Representative Chaney and all who supported this initiative."

Parc Center for Disabilities serves over 600 children and adults each year, providing a wide range of services and programs designed to enhance the quality of life and encourage independence.
