

Infinet-I is First Sponsor of North American Transportation Management Institute

TEXARKANA, TX, UNITED STATES, October 24, 2024 /EINPresswire.com/ -- Infinet-I Workforce Solutions, a leading provider of safety training solutions, is proud to announce its sponsorship of North American Transportation Management Institute (NATMI).

“

It's an honor to be able to support and complement their work. After all, 'rising tides lift all boats.' Together with NATMI, we're proud to make the transportation industry safer.”

Jay Wommack

NATMI, a premier certifying organization for transportation safety and risk management professionals, plays a critical role in setting industry standards for safety and compliance. Their certification programs are trusted by industry professionals to validate expertise in safety management, driver training, and fleet operations.

For over a decade, Infinet-I's safety education events, including Boot Camp, Engage, Partner Roundtable, and more, have been recognized by NATMI, offering attendees the opportunity to earn two recertification points toward

their professional certifications.

Now, Infinet-I has deepened its commitment to safety in the transportation industry by becoming [NATMI's first sponsor](#). Through this sponsorship, Infinet-I supports NATMI's mission to promote high standards of excellence in transportation safety.

“NATMI does an outstanding job of sharing safety best practices,” said INFINET-I founder and CEO, Jay Wommack. “It's an honor to be able to support and complement their work. After all, 'rising tides lift all boats.' Together with NATMI, we're proud to make the transportation industry safer.”

Infinet-I's newest safety education event, a risk revolution workshop, takes a strategic look at legal and insurance risk facing transportation. Attendees learn safety training best practices and how to use their CSA SMS data to proactively develop a targeted safety training plan. They also learn best practices for insurance renewals, as well as proactive measures to combat negligence and improve legal defense in the wake of rising lawsuits and nuclear verdicts. Attendees receive two NATMI recertification points for participating in the event.
