

# America Mortgages Launches New Application Platform for Non-Resident U.S. Real Estate Investors

*It's Now Easier to Apply for a U.S. Mortgage Loan!*

VANCOUVER, CANADA, October 25, 2024 /EINPresswire.com/ -- [America Mortgages](#), a leader in U.S. real estate financing for non-resident investors, has launched a new online application platform, making it easier for foreign nationals and U.S. expats to apply for a mortgage when investing in U.S. real estate.

The first step in buying or refinancing U.S. real estate is getting pre-approved. This process informs investors of their mortgage options and fees and provides a pre-approval letter. This letter shows sellers that the buyer is serious and qualified to purchase their property.
