AUSTIN, TX, UNITED STATES, October 24, 2024 /EINPresswire.com/ --

Prepare for a rollicking ride through Tinseltown with [Do Not Disturb](#), a witty 12-minute short film that dives into the comedic chaos of two C-list actors on a quest to film a sex tape and catapult their careers to new heights! The film will screen at the [Austin International Film Festival](#) beginning on Thursday, October 24, again on Friday, October 25 and on Wednesday, October 30. Please check the web site for times.

Hugo Clemens Ortiz is a director worth watching.

But let’s be clear: this isn’t your average adult film. Do Not Disturb is a playful exploration of ambition, fame, and the quirky lengths people go to in Hollywood.

Produced by the dynamic duo Julia Kennedy Hunt and written & directed by the talented Hugo Ortiz Clemens, this film marks their fourth collaboration as a producer/director team and serves as their undergraduate thesis at The University of Texas at Austin.

With a fresh and satirical lens, Do Not Disturb challenges the age-old question: who makes it in Hollywood and why? Follow the journey of Isla, a Mexican telenovela starlet looking to break into the American entertainment scene, and Ryan, a former child star eager to earn his stripes as a serious actor. Despite their differing backgrounds, they share one goal: to be recognized for their talent. Luckily, they discover that society’s obsession with celebrity lives might just be the ticket to their dreams!

Beyond the laughs and antics, this film invites viewers to reflect on the often-absurd dynamics of

the entertainment industry, sparking conversation about consumer culture and celebrity obsession.
