## About Habitat for Humanity of North Carolina

Habitat for Humanity of North Carolina is an affiliate support organization (ASO) that supports the 58 local Habitat for Humanity affiliates across the state. HFHNC acts as a central agency to coordinate statewide housing advocacy, provide training and networking opportunities, aid in

disaster recovery, and serve as a focal point for disseminating statewide resources. North Carolina's Habitat for Humanity affiliates are not subordinate to the ASO. Rather, we exist to serve them.

Habitat for Humanity is a Christian organization seeking to put God's love into action but observes a strict no-proselytizing policy. All who believe that everyone needs a decent, affordable place to live are welcome to help with our work, regardless of race, religion, age, gender, political views, or any of the other distinctions that too often divide people.
