

# APG Announces Immediate Availability of Angled Housing Trigger Sprayers in the USA

AZUSA, CA, UNITED STATES, October 31, 2024 /EINPresswire.com/ -- [APackaging Group \(APG\)](#), a leader in sustainable and innovative [packaging solutions](#), is excited to announce the immediate availability of its popular Angled Housing Trigger Sprayers (SKU: [APG-880165-2](#)) in the USA.

The trigger sprayers are now in stock and ready for immediate pickup, providing businesses with a rapid packaging solution in a time when global supply chains are strained.

The Angled Housing Trigger Sprayer is designed for performance and flexibility. With features like a ribbed closure finish, a natural trigger, and dual spray options (spray/stream), this product is perfect for a wide range of applications.

The sprayer boasts a 28mm closure size, an output of 0.9cc, and a DTL of 9.25 inches, making it ideal for diverse packaging needs in the beauty, personal care, and household sectors.

"At APG, we understand the importance of speed and accessibility in today's market," said Hannah Palese, Director of Communication at APG. "Our decision to make this product available for immediate pickup in the USA reflects our commitment to delivering fast, reliable, and high-quality packaging solutions. This ensures our clients can maintain operational efficiency even during supply chain challenges."

Founded in 2019 by Helga Arminak, APG has quickly emerged as a trusted packaging partner for some of the most prestigious brands in beauty and personal care, including P&G, Unilever,
