

ARGENTINIAN URBAN ARTIST TIAGO PZK JOINS FORCES WITH SPANISH SINGER AND PRODUCER RELS B FOR GLOBAL HIT “MI CUARTO”

The Multifaceted Artist Caused Pandemonium in New York City, Shutting

Down Canal Street with a Traditional “Asado” Between Fans and Friends.

MIAMI, FL, UNITED STATES, October 25, 2024 /EINPresswire.com/ -- Tiago PZK premiered the first glimpse into his upcoming musical project ‘Gotti B’ with the release of “Mi Cuarto,” an irresistible power collaboration featuring Spanish singer and songwriter Rels B. “Mi Cuarto” and its official music video are now available on all digital platforms.

On the genre-busting “Mi Cuarto,” charming synthesizers and rich Afrobeat percussion finds Tiago at

ease, confident and lost in his element as he sings through seductive lyrics. The culturally enriched nature of the track carves a path for Rels B’s knack for blurring the lines between genres, pairing the artist’s charismatic flow with sensual beats. Tiago created the track on his own from his home studio, sampling a YouTube beat created by Haitian producer, UGYN, and later on sharing the silky production with Rels B. Shortly after, “Mi Cuarto” was wrapped up and polished by longtime collaborator and colleague Tatoon (executive producer of his latest album ‘Gotti A’).

Although minimalist, yet strikingly alluring, the visual companion for “Mi Cuarto” follows both artists in two distinct parts of the world – Tiago PZK in Argentina and Rels B in Spain – as they perform through their verses through nonchalant video cuts. For Tiago’s delivery, Tomi Raimon

and Pedro Santos directed their series of visuals, while Luis Moranta (of Wrap Creativo Production Company) led Rels B's vision.

The release of "Mi Cuarto" arrives on the heels of a buzzing weekend for the Argentinian phenomenon. Tiago PZK's unstoppable quest for global domination crossed over into the Big Apple this past Saturday as he brought a familiar "asado" to Canal Street for his loyal fans. While enjoying a traditional Argentinian-style barbecue, fans had the opportunity of listening to unreleased music off of his upcoming project, 'Gotti B,' and a chance to go head-to-head in a fiery freestyle showdown.

That afternoon, Tiago PZK brought to life an impromptu nearly hour-long performance on the steps of Forsyth Plaza with a dazzling backdrop of the Manhattan Bridge. Amongst the invitees, key industry players weighed in on the action from New York's hottest bars, including TIME AGAIN, where Tiago took the party inside until later in the evening. Attendees celebrated the new music and enjoyed Fernet con Coca (Fernet and Coke), a beloved Argentinian tradition served in cut open Coca Cola bottles.

Continuing the weekend-long celebration, Tiago made a surprise drop-in and joined fellow friend and colleague María Becerra on stage at Terminal 5 during her concert at the staple venue. The artists brought their smash hit "Entre Nosotros Remix" to life, enthralling a sea of concertgoers with an unforgettable experience.

Earlier this month, Tiago PZK shared the anticipated dates for his upcoming "GOTTI A TOUR," which has been rescheduled for spring 2025. The artist is currently working on a new musical production to present alongside the tour. Please find the tour dates below.

2024 has undoubtedly become a game-changing year for the multifaceted sensation – having made his blazing MTV Video Music Awards debut with a rendition of his global smash "Alegría." Joining global superstar Anitta, Tiago made history as the first-ever Argentinian performer in VMAs history. Tiago's debut for the storied award ceremony followed the groundbreaking success of his latest studio album, 'GOTTI A.' The standout "Alegría" has notably amassed over 40.8 million views on YouTube and over 54 million streams on Spotify alone since its release. Listen to 'GOTTI A' here.
