“

As we celebrate a decade of serving the family office community, the launch of FON Media reflects the tremendous evolution of this industry,”

*Peter M. Apostol*

With a comprehensive media offering that includes a weekly newsletter, a content-rich website, and a quarterly luxury magazine, FON Media is set to become the ultimate resource for those at the forefront of wealth and influence. Readers can expect to discover the latest trends in private aviation, fine arts and culture, luxury jewelry, designer fashion, yachts, and five-star travel destinations, along with a host of other premium content.

In addition to luxury features, FON Media will dive deep into issues central to the family office ecosystem, such as succession planning, corporate governance, trust and estates, philanthropy, and private deal flow. Each issue of the magazine will include profiles of prominent family offices and thought leadership on best practices for wealth preservation and growth, making it an indispensable tool for those managing significant assets.

Reaching the top 4 percent of the U.S. and global population, with an average household income

of \$5 million+ and a net worth of \$100 million+, FON Media offers unparalleled access to a highly sought-after demographic. Whether you're a private investor, family office leader, or trusted advisor, FON Media provides essential content and a unique window into the world of the ultra-wealthy.

Digital subscriptions include exclusive access to all FON Media articles, a digital edition of the quarterly luxury magazine, and FON's newsletters, while Premium subscriptions offer the additional benefit of receiving hard copies of the magazine delivered to your home or office.

"As we celebrate a decade of serving the family office community, the launch of FON Media reflects the tremendous evolution of this industry," said Peter Apostol, CEO of Family Office Networks. "Today, FON is the trusted resource for the world's wealthiest families, offering unparalleled access to networking opportunities and investment insights, alongside guidance on luxury purchases. Over the past year, we've seen a surge in inquiries from families seeking advice on high-ticket acquisitions, including private aircraft, further cementing our role as a trusted advisor."
