A Preview Like No Other—Mark Your Calendars!

Mesmerize co-creators Clay Lillard and Mateo Gutierrez, known for their blockbuster hit Enter the Multiverse at Native Hostel, are taking things to the next level. This November, they'll throw open the doors of their newest creation—a transformed industrial warehouse filled with 15+ immersive art installations: "Living Dream," where You Become Part of the Fantasy

Touch a realm where the boundaries between waking life and dreams dissolve. From the towering Colossal Crystal—the heart of this fantasy landscape—to the whimsical Painted Passage, where you quite literally step into the art, Living Dream is a journey for the whole family. Interactive projections, secret "Monstie" guides, and jaw-dropping photo-ops await, designed to ignite your imagination and unlock the mysteries hidden within this dreamscape.

Mesmerize: Living Dream officially opens to the public November 2024, with timed tickets to
