“

I am eager to introduce fresh, innovative ideas and experiences to the company while enhancing our brand's visibility in the community.”

Mark Sinclair, TBE Founder

Stuart Harris, Co-Founder of Team Building Asia, expressed his enthusiasm for the acquisition of Team Build Events: “I am excited about the acquisition of Team Build Events. This strategic move will enhance our event management capabilities, foster innovation, and strengthen our market position in Hong Kong.

The acquisition of Team Build Events offers several key benefits: enhanced capabilities through combined

expertise, growth opportunities with Mark Sinclair staying on full-time, and a shared commitment to team building and sports.

This alignment in values will foster a collaborative and innovative environment.

Moreover, David Simpson, Co-Founder of Team Building Asia, echoed this sentiment, adding: "we are excited at the potential of this new opportunity to further explore the Sports & Wellness elements of team building programmes and experiences.

Mark and his company bring a wealth of knowledge and experience in this area, which will greatly benefit our growth and development.

The activations are of particular interest to me, as they provide a sensational way for our clients, over the past 22 years, to engage with the community in a completely different and original manner.

Mark Sinclair, the owner and managing director of Team Build Events, shares in the excitement. "The acquisition marks an exciting development for Team Build Events. With the backing of Team Building Asia, we can continue to expand and offer more opportunities for individuals to engage with our programs and events.

Team Build Events will offer a range of experiences, including brand activations, corporate sports tournaments, and various sports and wellness events."

OUR COMMITMENT

This acquisition reflects both companies' commitment to elevating the standard of service clients expect. By joining forces, we are better equipped to expand our offerings and meet the evolving needs of organisations across the region. Customers can expect a smooth transition, with our combined teams delivering an even wider range of innovative solutions.

Our shared dedication to creativity and professionalism ensures that the quality and personalised service customers value will continue, while opening new opportunities for growth and enhanced capabilities.
