SINGAPORE, October 31, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- IMERGEY, a

leader in global brand consulting, returns with the second phase of its esteemed Luminaries Awards 2024.

The IMERGEY LUMINARIES award is a distinguished recognition program that

honours outstanding leadership and innovation across sectors. After shining light on exceptional leaders from the MENA region earlier this month, celebrating those who effectively use their professional platforms to amplify their vision and thought leadership leading to a culture of empowerment and embracing transformative change, IMERGEY is now announcing the leaders from the APAC region.

“

Congratulations to the 2024 LUMINAIRES APAC Awards winners. IMERGEY believes in recognizing leaders who drive progress across industries, and the Luminaries Awards are a vital engine in this mission.”

Jackie Lee, Snr. Marketing Manager & Luminaries Awards Co-Chair

The Luminaries Awards are part of IMERGEY’s ongoing mission to honour individuals who are creating lasting legacies through the power of professional platforms specifically on LinkedIn. Each honoree has tapped into their influential voice to spark meaningful conversations, sharing their experiences, knowledge, and corporate insights. These leaders have gone beyond their everyday roles to inspire and guide the next generation of professionals by sharing valuable industry news, personal stories, and professional development lessons. Their content has not only guided others but also has driven this community towards a transformational change leading to

a more culturally empowered, inclusive, and collaborative professional network.

IMERGEY believes that exemplary leadership, which significantly contributes to the industry through expertise, vision, and principles, deserves to be celebrated. These leaders not only drive

their industries forward but also raise the overall standards within their fields. At IMERGEY, we are committed to recognizing the pivotal role these leaders play in encouraging positive change and inspiring future generations.
