for families. With a focus on fun rather than fright, Spooky Mini Golf is not intended to scare participants. Although the course will be dimly lit to set the atmosphere, the event is not designed to frighten young players. Instead, the aim is to let families enjoy a festive Halloween-themed activity without the fear factor that often comes with other haunted events during the season.

In addition to the fun of mini-golf, all children in costume will have the opportunity to collect trick-or-treat goodies as they move from hole to hole, so they should remember to bring their trick-or-treat bags.
