Definition:

Business health insurance provides employee health coverage under group policies, offering benefits that attract and retain talent. These policies often cover medical, dental, and vision care, and can include additional wellness programs. The market is growing as businesses recognize the value of offering comprehensive health benefits, especially with rising healthcare costs and employee expectations for healthcare support. Increasing regulatory mandates and the emphasis on employee well-being drive growth. Insurers are innovating with digital tools for plan selection, online claims management, and personalized health tracking.

Dominating Region:

North America

Fastest-Growing Region:

North America
