

Indoor Ag-Con to Host Pre-Event CEA Food Safety Workshop Series with Ceres University Ahead of March 2025 Conference

Indoor Ag-Con partners with Ceres University to host 2 CEA Food Safety Workshops ahead of March 11-12, 2025 Indoor Ag-Con trade show at the Westgate Las Vegas

LAS VEGAS, NV, UNITED STATES, October 28, 2024 /EINPresswire.com/ -- Building on the success of the 2024 pre-event workshop, [Indoor Ag-Con](#) is excited to announce its continued partnership with [Ceres University](#) to host two comprehensive CEA [Food Safety](#) Workshops ahead of the 2025 Indoor Ag-Con trade show, scheduled for March 11-12 at the Westgate Las Vegas. This workshop series, tailored for professionals in the controlled environment agriculture (CEA) and vertical farming industries, will offer food safety managers, quality assurance personnel, and executives a valuable opportunity to expand their knowledge and revalidate HACCP Certification

The poster features a central text box with a green and white color scheme. On the left and right sides, there are vertical images: on the left, a person in a blue protective suit works with plants in a vertical farming tower; on the right, a person in a blue cap uses a tablet in a greenhouse setting. The central text reads: 'INDOOR AG-CON Presents CEA FOOD SAFETY PRE-EVENT WORKSHOPS In Conjunction With CU CERES UNIVERSITY 3 CEUs - ISO 17011 COMPLIANT SQF - PFGS - GGAP - BRC MONDAY, MARCH 10, 2025 WESTGATE LAS VEGAS'.

Indoor Ag-Con and Ceres University Partner To Host CEA Food Safety Workshops Ahead of March 11-12, 2025 edition at Westgate Las Vegas.

“

Food safety is a top priority for the CEA industry, and our partnership with Ceres University helps ensure attendees leave with the tools and knowledge they need to maintain high standards.”

Brian Sullivan, CEO, Indoor Ag-Con

The CEA Food Safety Workshops, scheduled for March 10, 2025, will feature two sessions:

- Workshop One: Internal Review Programs for Food Safety Managers & Quality Assurance Personnel
8:30 AM – 12:30 PM

Attendees will gain valuable insights into developing and auditing internal food safety programs, a requirement for GFSI-certified organizations. Attendees of this accredited class can earn a total of three Continuing Education Units (CEUs).

- Workshop Two: Executive Level Food Safety

1:30 PM – 5:30 PM

This workshop offers an executive perspective on managing food safety programs effectively. Attendees will explore the essentials of quality assurance, critical aspects of food safety program management, methods for addressing customer inquiries and more.

Participants attending both workshops can earn a revalidation of their HACCP Certification for an additional four years. Each workshop is priced at \$575, with a discounted rate of \$995 for both.

“We’re pleased to offer the CEA Food Safety Workshop as part of our expanding educational lineup at Indoor Ag-Con,” said Brian Sullivan, CEO of Indoor Ag-Con. “Food safety is a top priority for the CEA industry, and our partnership with Ceres University helps ensure attendees leave with the tools and knowledge they need to maintain high standards.”

“Partnering with Indoor Ag-Con to bring back the CEA Food Safety Workshop is a valuable opportunity,” said Karl Kolb, Ph.D., President of Ceres University. “Our goal is to help CEA professionals build effective food safety practices. This workshop will provide clear, practical approaches that attendees can apply to improve their food safety programs.”

In addition to workshop attendance, registration includes access to the Indoor Ag-Con Expo Hall on March 11-12, providing participants with entry to the trade show floor, presentations in the Expo Theater, and a Welcome Happy Hour.
