

Solum Global Inc. Launches Crowdfund Offering

Solum Global Inc. launched Invest.Solum.Global, a crowdfunding platform for investors to become common stock shareholders.

WEST PALM BEACH, FL, UNITED STATES, October 28, 2024 /EINPresswire.com/ -- [Solum Global](#) Inc. ("Solum Global or the Company"), a transparent digital network where cryptocurrencies and real-world assets meet, announced today the launch of its new investment platform, [Invest.Solum.Global](#). The Company is securing capital through a crowdfunding offering allowing investors to become common stock shareholders in Solum Global.

The Solum Solution allows seamless digital asset storage, trading, and gold redemption. At the core of Solum's innovation is its Solum Vault, a multi-signature smart wallet. The Solum Wallet is now available as a progressive web and mobile app. It can be downloaded on laptops, desktops, and other devices, making digital asset management convenient and secure. Solum Wallet holders can convert their digital currencies into gold anytime, safeguarding against market volatility.

"We believe that everyone should have the opportunity to invest and grow with us, and our new crowdfunding platform is designed to make that possible," said Kirk St Johns, CEO of Solum Global. "Inclusivity is key to our mission. We are offering investors the chance to own stock in a blockchain company that is revolutionizing the digital finance landscape. This crowdfund will allow us to expand our marketing efforts, adding value for our shareholders as we grow."

The funds raised through crowdfunding will fuel Solum's marketing initiatives and expand the Company's infrastructure, which is poised to capitalize on the rapidly growing stablecoin market.

Utilizing exclusive management contracts, Solum's unique combination of blockchain technology and the ability to convert digital currency into gold positions the Company to be a significant player in the stablecoin space, which is expected to reach a market value of \$2.8 trillion within the next five years, according to a Bernstein report.
