Colby Lewis

“We are proud to relocate our offices to the iconic Esperson building, a landmark that embodies both Houston's rich history and its forward momentum. The Esperson building has long been a symbol of ambition and vision, qualities we embrace as a firm.” Colby Lewis, founder and lead attorney of the firm, said. “This move reflects our commitment to providing our clients with the highest level of service in a setting that honors the past

while offering modern convenience and accessibility.”

Enhancing the Client Experience

The new office combines a modern aesthetic with historic charm, featuring exposed brick and concrete for a professional yet welcoming atmosphere. Located in the prestigious Esperson building, the move enhances client accessibility with conveniences such as valet parking, proximity to restaurants, and direct access to Houston's underground tunnel system. This strategic move is designed to create a comfortable space for both clients and staff, allowing the firm to continue providing top-tier service.

The Law Offices of Colby Lewis remains dedicated to representing clients in personal injury cases, insurance disputes, and complex construction defect claims, continuing to build on its reputation for securing justice and results.
