

Soriano Motori and Vent Moto Announce Exciting Global Collaboration in Lombardy, Italy

Soriano chooses its primary Italian builder in Lombardy and things now look very stronger than ever.

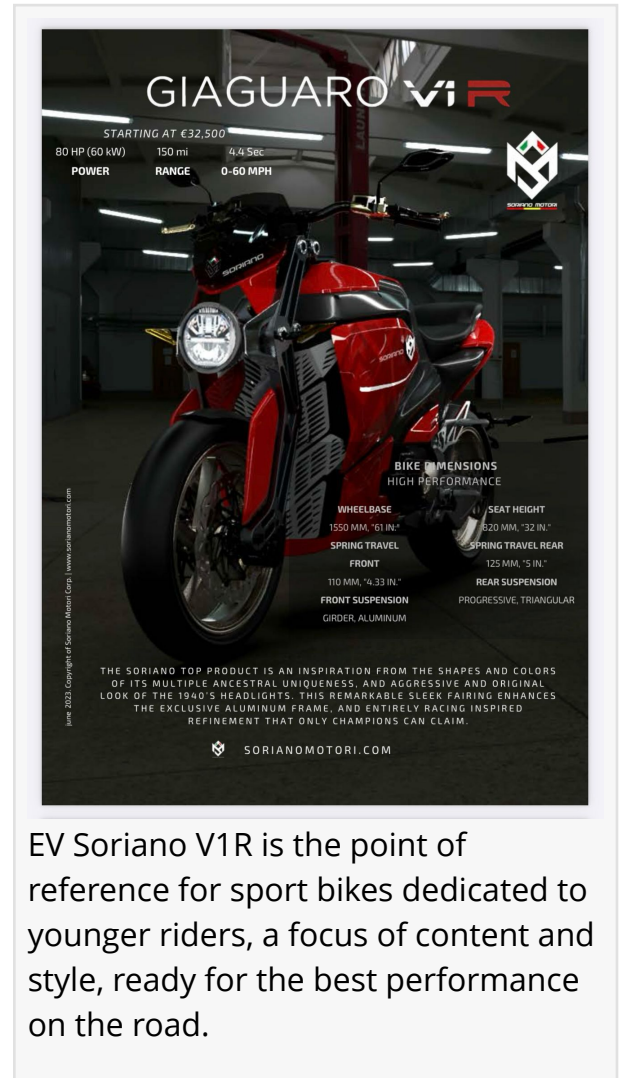

NEW YORK, CA, UNITED STATES, October 28, 2024 /EINPresswire.com/ -- Soriano Motori and Vent Moto Announce Exciting Global Collaboration in Lombardy, Italy

Lombardy, Italy – Soriano Motori, the innovative manufacturer of luxury electric vehicles, is thrilled to announce a strategic collaboration with Vent Moto, a leading entity in the motorsport industry. This partnership is set to accelerate the sale of 10,000 units over the next five years, targeting markets in North America, Eastern and Western Europe.

Under the visionary leadership of Marco Antonio Soriano IV and Quirino Tironi, this collaboration aims to reposition both brands as leaders in the electric vehicle sector. The experienced collaboration also benefits from the insights of [former Board President of LatAm Pirelli, Sergio Contreras](#), whose extensive background in international markets will be crucial in driving growth and ensuring successful expansion.

“We are excited to embark on this journey with Vent Moto,” said Marco Antonio Soriano IV. “This collaboration harnesses our strengths of our engineering and design, aligning perfectly with the know-how manufacturing and assembly line of Vent Moto’s expertise in motorsports. Together, we are committed to creating electric vehicles that embody performance, elegance, and sustainability.”

The partnership promises to leverage both companies’ resources and expertise, ensuring that the highest quality standards are met in production and delivery. By combining Soriano Motori’s
