

# Revian® Welcomes Prominent Dermatologist and Researcher Dr. Michael Gold to its Medical Advisory Board

MORRISVILLE, NC, UNITED STATES, October 28, 2024 /EINPresswire.com/ -- [Revian®](#), provider of the #1 physician recommended [hair restoration](#) at home device and a leader in innovative hair restoration solutions, is thrilled to announce the addition of [Dr. Michael Gold](#) to its Medical Advisory Board. As a globally recognized dermatologist and researcher, Dr. Gold will bring his

invaluable expertise to guide Revian's continued advancements in the field of hair restoration.

Revian's innovative products, backed by rigorous research, represent the pinnacle of hair restoration technology available today. I am honored to join Revian in this more formal capacity"

*Dr. Michael Gold*

Dr. Gold is the founder and medical director of Gold Skin Care Center, Advanced Aesthetics Medical Spa, The Laser & Rejuvenation Center, and Tennessee Clinical Research Center in Nashville, TN. Throughout his career Dr. Gold has established himself as a leader in dermatologic research, renowned for his pioneering work in developing cutting-edge technologies for dermatology and aesthetic skin care. His extensive contributions include presenting his research at prestigious national and international

conferences, authoring over 500 scientific articles, and holding faculty positions at universities worldwide.

"Revian's unwavering commitment to scientific excellence in hair loss solutions has drawn me to the company for years," stated Dr. Gold. "Their innovative products, backed by rigorous research, represent the pinnacle of hair restoration technology available today. I am honored to join Revian in this more formal capacity."

"We are incredibly fortunate to have Dr. Gold join our team," said John Oakley, CEO of Revian. "His exceptional knowledge, research experience, and clinical expertise will be instrumental in shaping Revian's future as a global leader in innovative hair restoration solutions."

Dr. Gold joins an impressive Advisory Board of experienced physicians knowledgeable in all forms and causes of hair loss. His appointment further solidifies Revian's position as a frontrunner in the science of hair restoration treatments. His involvement will not only enhance the company's partnerships with healthcare professionals but also contribute to raising

awareness of Revian's groundbreaking products.
