

GetHairMD™ Welcomes Renowned Plastic Surgeon Dr. Grant Stevens to its Medical Advisory Board

SOUTH LAKE, TX, UNITED STATES, October 29, 2024 /EINPresswire.com/ -- [GetHairMD™](#), a leading provider of advanced hair restoration solutions, is thrilled to announce the addition of renowned plastic surgeon [Dr. Grant Stevens](#) to its team of medical advisory experts. Dr. Stevens brings a wealth of experience and knowledge to GetHairMD, further solidifying the company's position as a leader in the field of hair restoration.

GetHairMD collaborates with physicians to ensure that the products selected are efficacious and are the latest in clinically proven non-surgical hair restoration solutions "

Dr. Stevens

Dr. Stevens is the Founder and Medical Director of Sun Valley Aesthetics and a highly respected figure in the medical aesthetics community. He is also the founder and moderator of the popular podcast, "[Technology of Beauty](#)"; for more information visit www.influxmarketing.com/technology-of-beauty/. This podcast brings together industry leaders, innovators, and entrepreneurs who are driving the rapid growth of medical aesthetics. Dr. Stevens' insights and expertise will be

invaluable in helping GetHairMD stay at the forefront of the latest advancements in hair restoration.

"We are honored to have Dr. Grant Stevens join our esteemed Medical Advisory Board," said Paul Herchman, CEO and Founder of GetHairMD. "His extensive experience and passion for medical aesthetics aligns perfectly with our commitment to providing the highest quality hair restoration options for our physician partners. We are confident that his presence will further elevate our reputation as a trusted leader in the industry."

"Paul has been a leader and innovator in the medical aesthetics industry for decades and I am proud to call him both a respected colleague and a friend" said Dr. Grant Stevens. "GetHairMD is dedicated to collaborating with physicians to ensure the products selected are efficacious and are the latest in clinically proven non-surgical hair restoration solutions to its physician partners. After my many years in the industry, I must say, it is about time that a company offers a new and unique business model that protects its customers with exclusive territories. I welcome the opportunity to add my experience and advice to this respected assembly of medical professionals."

Dr. Stevens' arrival at GetHairMD comes at a time of significant growth for the company. GetHairMD has a proven track record of providing our physician partners with the tools and knowledge to deliver exceptional results to patients seeking to restore their hair and improve their confidence. With the addition of Dr. Stevens, GetHairMD is poised to continue its success and expand its reach to even more physician partners and patients in need.
