

Steve Hocking joins Kleinschmidt as a Senior Regulatory Advisor

An industry veteran with over 30 years of regulatory experience strengthens Kleinschmidt's ability to navigate complex hydropower and environmental regulations.

PITTSFIELD, ME, UNITED STATES, October 30, 2024 /EINPresswire.com/ -- [Kleinschmidt](#) Associates, an industry-leading engineering, [regulatory](#), and environmental consulting firm, is pleased to announce the addition of Steve Hocking as a Senior Regulatory Advisor. Steve brings more than 30 years of regulatory experience.

Steve Hocking

Steve served as Branch Chief in [FERC's](#) Division of Hydropower Administration and Compliance, where he led a team of resource professionals handling major amendments, license surrenders, temporary variances, NEPA, Section 106 and ESA consultations, and more. As a Public Safety Coordinator and liaison in FERC's Division of Dam Safety and Inspections, he played a crucial role in reviewing public safety plans and incident reports and ensuring cross-divisional collaboration for FERC's review and approval of construction and dam safety projects.

“

I am eager to provide strategic guidance to ensure compliance, streamline processes, and achieve successful outcomes.”

Steve Hocking, Senior Regulatory Advisor.

“I am excited to join Kleinschmidt's complex regulatory team,” says Steve Hocking, Senior Regulatory Advisor at Kleinschmidt. “I am eager to provide strategic guidance to ensure compliance, streamline processes, and achieve successful outcomes.”

Steve has hands-on experience with the Integrated Licensing Process, Traditional Licensing Process, and Alternative Licensing Process, enabling him to guide clients through FERC's regulations with ease, saving time and reducing risks.

“We are so excited to have Steve join the Kleinschmidt team,” says Shannon Luoma, Regulatory Section Manager at Kleinschmidt. “His expertise will help provide our clients with clear and practical strategies to ensure compliance and keep projects on track.”

Steve holds a Bachelor of Science in Environmental Science and Natural Resources Management from the University of Maryland and a Master of Arts in Teaching from Johns Hopkins University.
