

Midwest Employee Benefit Funds Coalition selects Conifer Value Based Care as Preferred Partner

For Case and Utilization Management Services

DALLAS, TX, UNITED STATES, October 29, 2024

/EINPresswire.com/ -- Conifer Health Solution's Value-Based Care (VBC) is proud to announce its new partnership with the Midwest Employee Benefit Funds Coalition (MEBFC) to deliver case management (CM) and utilization management (UM) services. This collaboration has the potential to bring innovative health solutions to approximately 250,000 employees, dependents, and retirees across 49 multi-employer Taft-Hartley Welfare Funds.

This partnership with the MEBFC expands on our vision to be a leader in Population Health services for Taft-Hartley Funds across the country."

Mary Bacaj

MEBFC negotiates reduced-rate services with healthcare and service providers throughout the Midwest. As a facilitator for quality assurance and healthcare trends, the Coalition is committed to improving health outcomes for its members. MEBFC supports a range of from employees and their families to retirees through effective healthcare negotiations and trends analysis.

MEBFC has selected Conifer as a preferred partner for UM

and CM services. This agreement ensures that Member Funds have access to Conifer's services at preferred rates, while maintaining each fund's autonomy in selecting its vendors. The partnership streamlines the selection and contracting process, bringing enhanced care management options to MEBFC members.

"This partnership with the MEBFC expands on our vision to be a leader in Population Health services for Taft-Hartley Funds across the country," said Mary Bacaj, Conifer Health's President of Value-Based Care. "We are excited to collaborate with MEBFC and provide tailored solutions that align with their mission and values."
