A Collaboration Born from a Poetic Tribute

The inspiration for "I Am a Veteran" came from a moving poem by Kerry Glaser, Warner's friend and fellow veteran. "When I read the poem, I immediately knew it could become a powerful song," Warner shares. The resulting collaboration blends Glaser's evocative verses with Warner's crafted chorus, producing a song that resonates with authenticity and gratitude.

A Masterful Musical Production with Industry Talent

Recorded at Wyoming Wave Studios in Cheyenne, WY, Vonte Anderson led the engineering efforts, with the track featuring a talented ensemble of musicians:

- Asha Henshaw – Piano and backing vocals
- Joshua Reese – Fiddle and electric guitar

Warner reflects on the synergy in the studio: “Josh’s guitar and fiddle playing were par excellence—he knew exactly how to add the right touch to bring the song alive.” Henshaw, a student at the Berklee College of Music, also made a significant impact with her production work. “Asha’s layering and background vocals gave the track depth and movement,” Warner remarks.

Jim Thacker of Kazen Music Group, a respected industry producer with deep ties to military culture mastered the song. “Jim’s understanding of military life made working with him an honor. His drum and bass arrangements perfectly shaped the track,” Warner added.
