

# Zzoma Positional Therapy for OSA Now Covered by Leading Insurers Nationwide

PHILADELPHIA, PA, UNITED STATES, October 30, 2024 /EINPresswire.com/ -- Sleep Specialists, LLC (DBA ZZ Medical) announces that [Zzoma](#), a comfortable and effective alternative to CPAP therapy for mild to moderate positional obstructive sleep apnea (OSA), is now covered by a growing number of leading health insurance providers. This expanded coverage significantly increases access to this innovative, mask-free treatment option for individuals with positional OSA across the United States.

Zzoma is an FDA-cleared positional therapy device indicated for the first-line treatment of mild to moderate positional OSA, or for patients with CPAP intolerance. By promoting side sleeping, Zzoma helps maintain an open airway and improve sleep quality.

## Is Zzoma Covered by Your Plan?

To determine if Zzoma is covered under your specific insurance plan, contact your insurance provider and inquire about coverage for "OSA therapy" with the following codes:

□□ Diagnosis Code: ICD-10 Code - G47.33

□□ Device Code: HCPCS Code - E0190

#### Benefits of Zzoma:

□□ Comfortable: Zzoma is a comfortable, easy-to-use device that allows patients to sleep on their own pillow without a CPAP mask.

□□ Effective: Zzoma is clinically proven to be an effective treatment for positional OSA.

□□ Affordable: Zzoma is an affordable alternative to CPAP therapy. It may be covered by insurance, and even without coverage, the out-of-pocket cost is generally less than CPAP therapy.

#### How to Get Zzoma:

□□ Ask your doctor if Zzoma is right for you.
