

Seasoned Healthcare Executive Jim Costanzo Joins Innovative Board of Directors

Jim Costanzo, former Nordic CEO, joins Innovative's Board, bringing 40 years of visionary expertise to drive strategic growth and healthcare IT excellence.

PANAMA CITY, FL, UNITED STATES, October 30, 2024 /EINPresswire.com/ --Innovative Consulting Group, a healthcare IT consulting firm that delivers flexible solutions and nextlevel service, today announced that Jim Costanzo, retired CEO of Nordic Consulting Partners, Inc., has joined Innovative's Board of Directors.

"Jim brings a 40-year distinguished career as a senior executive for a number of blue-chip healthcare consulting firms, including PwC, BearingPoint, Deloitte, EY, and Nordic," says Dave Dyell, managing partner at

Innovative. "Jim is a true strategist with an impressive track record of successfully growing companies while ensuring clients meet their goals."

"The visionary leadership Jim brings will contribute significantly to our accelerated growth strategy for Innovative," says Tom Flynn, managing partner of <u>SV Health Investors</u>, a private healthcare investment firm with offices in Boston and London, which led the recapitalization of Innovative last year. He adds, "Jim's expertise brings added insight as Innovative delivers its tailored solutions and next-level service."

"With decades of experience in the healthcare industry, Jim has a deep understanding of the intricacies of the industry," states Marc Hirshfield, managing partner at Innovative. "He is passionate about leveraging technology to streamline operations, reduce costs, improve security, and deliver better patient care."

As CEO at Nordic, Jim led the global health and technology consulting company that provides

"

Jim is a true strategist with an impressive track record of successfully growing companies while ensuring clients meet their goals." Dave Dyell, managing partner at Innovative advisory services to healthcare systems. Prior to Nordic, he was a partner at EY, a director at Deloitte Consulting, and a managing partner at both BearingPoint Consulting and PwC Consulting. Jim holds a Bachelor of Science degree from the University of Mount Union.
