

Fitzgerald Auto Malls Partners with Montgomery County Police Department to Combat Catalytic Converter Thefts

Fitzgerald Auto Malls announces partnership with the Montgomery County Police Department (MCPD) to host a catalytic converter etching event

NORTHE BETHESDA, MD, UNITED STATES, October 31, 2024

/EINPresswire.com/ -- Fitzgerald Auto Malls is proud to announce a partnership with the Montgomery County Police Department (MCPD) to host a catalytic converter etching event as part of the MCPD's "Etch & Catch" program, designed to combat the rise in catalytic converter thefts.

The "Etch & Catch" program provides a free etching service that engraves a unique identification number onto the vehicle's catalytic converter. This number is then registered in a database accessible to law enforcement, allowing for easier tracking and recovery if the part is stolen. Any tampering with the label will also serve as a visible deterrent, helping to reduce theft risk.

Since its launch in March 2023, the "Etch & Catch" program has been a valuable tool in reducing catalytic converter thefts, which Officer Johnson notes can often occur in under a minute. Fitzgerald Auto Malls is pleased to support this important community safety initiative, reinforcing its ongoing commitment to consumer protection and local partnerships.

Event Details:

- Date: Sunday, November 3, 2024
- Time: 8 a.m. – 12 p.m.
- Location: Fitzgerald Auto Mall, 11411 Rockville Pike, Rockville, MD

Interested individuals should schedule an appointment and contact Officer Demond Johnson at 240-773-6727, 240-773-6728, or via email at demond.johnson@montgomerycountymd.gov.
