

Country Club Lima Hotel Named #4 Best Hotel in South America in Condé Nast Traveler's 2024 Readers' Choice Awards

LIMA, PERU, October 30, 2024 /EINPresswire.com/ -- Condé Nast Traveler recently announced the results of its annual Readers' Choice Awards, with [Country Club Lima Hotel](#) recognized as [#4 in Hotels in South America](#) overall, receiving the outstanding score of 98.14.

The prestigious Readers' Choice Awards are the travel industry's longest-running and valued acknowledgement of excellence. Over 575,000 Condé Nast Traveler readers from across the United States shared their honest travel ratings, providing an in-depth look at the destinations they're most excited to revisit worldwide.

The hotel is more than deserving of the award for its elegant architecture, high-quality facilities and renowned service. Founded in the 1927, Country Club Lima Hotel is located in the San Isidro district as one of the most exclusive hotels in Lima.

The hotel is a storied icon that keeps transforming itself while preserving its rich history. The 83 rooms have been remodeled with a blend of fresh, avant-garde design while preserving their classic charm. Each room is spacious and filled with natural light, featuring marble finishes and fine tapestries.

One of the highlights of the hotel is the stunning gallery of over 300 pieces of viceregal art, donated by the Pedro de Osma Museum. These pieces are showcased in the public spaces as well as in the salons and guest rooms. The gold leaf frames, careful carving techniques, and history portrayed on the canvases speak to the pieces' unique and unmistakably Peruvian history.

The 2024 Readers' Choice Awards are published on Condé Nast Traveler's website and highlighted in the November issue.
