"The Evaheld Legacy Vault is more than just a digital storage solution," explains Michelle, CEO and Co-founder of Evaheld. "It empowers individuals to preserve their legacy, and ensures their wishes are known and respected by their loved ones. By bringing together Legacy and Advance Care Planning in one intuitive platform, we're removing the stress and complexity that often surrounds these crucial activities. Our simple, seamless and secure digital experience makes it easy for anyone to use, democratising and helping to [redefine legacy preservation](#)."

### Tech Visionaries Join Forces to Propel Evaheld's Mission

Adding to the excitement of the launch, Evaheld proudly announces the addition of John Dunkerley as an investor and strategic adviser. Dunkerley brings a wealth of experience in scaling innovative tech platforms. "Evaheld's approach to modernising legacy planning is truly revolutionary," Dunkerley comments. "Evaheld addresses a critical need in an aging and dispersed population. I'm thrilled to be part of a company that's making a profound impact on how people prepare for the future and preserve their personal legacies."

John joins Evaheld's first Investor and Chairman, James Edwards, CoFounder of Australian Unicorn Startup Pet Circle. Edwards, who has been instrumental in shaping Evaheld's strategic direction since its inception, brings invaluable expertise in building and scaling successful tech companies. "The addition of John to our team marks a significant milestone in Evaheld's journey," says James Edwards. "His track record in the tech industry, combined with our existing team's innovation, positions us to accelerate our growth and expand our impact in the legacy planning space. Together, we're set to redefine how individuals approach their personal legacies and future planning."

This powerhouse combination of tech industry veterans underscores Evaheld's commitment to innovation and its leadership in the Personal Legacy and Advance Care Planning sector.

### A New Chapter in Personal Legacy Planning

The launch of the Evaheld Legacy Vault marks a significant milestone in the company's mission to demystify and democratise legacy and advance care planning. By leveraging cutting-edge technology and a user-centric design, Evaheld is poised to become the go-to platform for individuals and families seeking peace of mind in their future planning and family legacy preservation.

"We're just scratching the surface of what's possible," Gomes adds. "With John & James' expertise and our team's passion, we're committed to continually evolving our platform to meet the changing needs of our users and partners. The Evaheld Legacy Vault is more than a product – it's a movement towards truly accessible legacy and advance care planning."
