“

We were interested in exploring the value of struggle in life. Does happiness come from relaxing on the beach? And if running a few miles can build character... what does 100 miles do to a person?”

*Filmmakers Chad Weber &  
Steve Vanderheide*

Media, the digital film distribution division of Byron Allen’s Allen Media Group, has just released the documentary feature film DREAMA TEAM, which is now available to rent/own on all global digital HD internet, cable, and satellite platforms, as well as on DVD, starting on November 1, 2024.

DREAMA TEAM is a feature length documentary about ultra runner Dreama Walton which tells the story of a seemingly ordinary mom... with an extraordinary hobby. Dreama Walton is an ultramarathon runner who has just gotten into America's biggest race -- The Western States® 100-Mile Endurance Run -- the world’s oldest 100-mile trail

race. But why run 100 miles? What is the value in doing hard things? DREAMA TEAM explores this question as we follow Dreama's journey to complete the race within the infamous 24-hour window. The documentary explores Dreama’s “why” as viewers learn about painful moments in her childhood and how the impact of a new community changed everything for her. In addition, Dreama is determined to prove to her young daughter the value of focus, hard work, and determination to accomplish difficult goals. DREAMA TEAM isn't just a story about ultramarathon running, it is a story about an everyday person taking struggle head-on, to face life's challenges.

Co-directed and co-produced by Chad Weber & Steve Vanderheide, DREAMA TEAM features (as themselves): Dreama Walton, Adelaide Tara Walton-Howell, Ryan Lange, Chris Knott, and Theresa Navarre.

“In DREAMA TEAM, we were interested in exploring the value of struggle in life,” said filmmakers Chad Weber & Steve Vanderheide. “Does happiness and fulfillment come from relaxing on the beach with a Piña Colada, or in doing hard things? And if running a few miles can build character... what does 100 miles do to a person?”

Freestyle Digital Media negotiated the deal to acquire DREAMA TEAM directly with Glen Reynolds of Circus Road Films on behalf of the filmmakers.
