

# Natural Colored by Shuixing Jiafang Wins Bronze in A' Bedding Design Awards

*Shuixing Jiafang's Natural Colored Quilt Recognized for Exceptional Design and Craftsmanship in Prestigious A' Bedding Design Awards*

COMO, CO, ITALY, October 31, 2024 /EINPresswire.com/ -- The highly respected A' [Bedding Design Awards](#) has announced [Shuixing Jiafang's](#) Natural Colored quilt as a Bronze winner in its latest competition. This prestigious recognition highlights the exceptional design and craftsmanship of the Natural Colored quilt within the competitive field of bedding design. The A' Bedding Design Awards serve as a platform to celebrate and promote outstanding achievements in the bedding industry, making this win a significant milestone for Shuixing Jiafang.

Natural Colored

The Bronze A' Bedding Design Award for the Natural Colored quilt holds great significance for both Shuixing Jiafang and the bedding industry as a whole. This recognition validates the design's alignment with current trends and its potential to positively influence bedding design practices. By showcasing the innovative use of natural colored cotton and Tencel jacquard technology, the Natural Colored quilt sets a new standard for eco-friendly and high-quality bedding products that prioritize customer comfort and well-being.

The Natural Colored quilt stands out for its meticulous craftsmanship and thoughtful design. Crafted from pure natural colored cotton sourced directly from nature, the quilt boasts inherent colors without the need for chemical treatments. The intricate Tencel jacquard weave adds a touch of elegance and durability. The quilt's filling, comprising high-altitude Siberian white goose down, ensures exceptional warmth and comfort while prioritizing environmental safety. The

unique three-layer structure, with separate layers for silk and down, combines the best of both materials for an unparalleled sleeping experience.

Winning the Bronze A' Bedding Design Award serves as a catalyst for Shuixing Jiafang to continue pushing the boundaries of bedding design. This recognition validates the brand's commitment to creating products that prioritize customer well-being and environmental sustainability. It also inspires the team to further explore innovative materials and technologies that can elevate the bedding industry standards. The award serves as a motivation for Shuixing Jiafang to maintain its dedication to excellence and continue delivering exceptional products to its customers.

Natural Colored was designed by a talented team at Shuixing Jiafang, including Li Yulu and Wang Juan, who played integral roles in the quilt's development and realization.

About Shanghai Shuixing Home Textiles Co., Ltd.

Shanghai Shuixing Home Textiles Co., Ltd. is a leading manufacturer of high-quality bedding products. The company is committed to creating bedding solutions that prioritize customer comfort, environmental sustainability, and innovative design. By carefully selecting premium materials such as natural colored cotton and Siberian white goose down, Shuixing ensures that its products are not only luxurious but also eco-friendly and safe for customers.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that demonstrate creativity, practicality, and professional execution. Winners are selected based on rigorous evaluation criteria, including innovative use of materials, aesthetic appeal, comfort considerations, functional efficiency, and eco-friendly design. In the Bedding Design category, the award acknowledges designs that excel in textile quality, ergonomics, safety, versatility, and market potential. Receiving the Bronze A' Design Award is a testament to a designer's skill, ingenuity, and commitment to advancing the bedding industry through exceptional design solutions.

About A' Design Award

The A' Design Award is an international, juried design competition that recognizes and promotes superior products and projects across all industries. Organized annually since 2008, the competition attracts a diverse range of participants, including visionary designers, innovative agencies, and influential brands from around the world. The A' Design Award is driven by a philanthropic mission to enhance society through the power of good design, motivating designers and brands to develop products that positively impact the global community. By showcasing pioneering designs on an international stage, the A' Design Award inspires a global appreciation for the principles of good design and drives forward the cycle of inspiration and advancement.
