Key Highlights of Hostinger's Black Friday Sale:

- Premium Web Hosting – Only \$2.49/month (4-year term) – Perfect for growing websites, featuring Hostinger's no-code Website Builder, free domain, unlimited free SSL, and advanced WordPress tools.
- Business Web Hosting – Only \$3.49/month (4-year term) – Built for high-performance sites, including all Premium features plus extra free months and advanced tools to boost speed and security.
- Exclusive Promo Code – New users can get an additional 8% off yearly plans using code BLACKFRIDAY.

A promotional banner for Hostinger's Black Friday sale. The background is dark with a grid pattern and various tech-related icons like a percentage sign, a code symbol, and a cursor. The text 'Web Hosting + FREE Domain' is prominently displayed in white. Below it, 'Black Friday Deal' is written in a bold, sans-serif font. A yellow starburst graphic contains the text '79% OFF'. At the bottom left, there is a pink button that says 'Claim deal'. On the right, the price '\$2.49/mo' is shown in a large, bold font, with 'with a 4-year plan' written in smaller text below it. The Hostinger logo and 'HOSTINGER.COM' are in the top left corner, and 'Three. Two. Online' is in the top right corner.

Up to 79% off Web hosting

- VPS and Game Panel Hosting – Starting at \$5.99/month (2-year term) – Ideal for developers needing robust resources with high storage and directory limits.
- Cloud Startup – Starting at \$7.59/month for a 48-month term – Managed WordPress Hosting for up to 300 websites, 200,000 visits per month, and 200GB of NVMe storage for fast, reliable access.

Unmatched Features for a Seamless Experience

Hostinger's Premium and Business Web Hosting packages include a full suite of tools for beginners and professionals, including free daily and on-demand backups, a powerful WordPress vulnerabilities scanner, automatic updates, unlimited bandwidth, and a Content Delivery Network (CDN) to enhance speed and performance. Customers also receive free email and unlimited SSL certificates, ensuring secure communications and browsing experiences. Priority support is also included, helping users with any questions around the clock.

Hostinger Website Builder – Hostinger's Black Friday packages include access to their no-code Website Builder, which allows users to create professional websites with ease, utilizing free pre-built templates that make starting from scratch a thing of the past.

High-Performance Cloud Hosting at 70% Off

The Cloud Startup plan, which is now available at an exclusive 70% off discount, offers hosting for up to 300 websites with 200GB NVMe storage. Designed for businesses that demand powerful resources, this package also includes advanced WordPress acceleration, a dedicated IP address, and up to 2 million files and directories.

Don't Miss Out – Hostinger's Black Friday Deals Are Limited!

Hostinger's Black Friday sale is live, but these prices won't last. New users are encouraged to act fast and secure the best hosting plans available this season. For more information or to sign up, [visit Hostinger's Early Black Friday Sale Page](#).
