

Alabama Mesothelioma Victims Center Recommends the Lawyers at the Birmingham Based Environmental Litigation Group for a Former Plumber in Alabama with Mesothelioma or Lung Cancer-Get a Top Compensation Result

BIRMINGHAM , AL, UNITED STATES, November 4, 2024 /EINPresswire.com/ -- The Alabama Mesothelioma Victims Center recommends, and they have endorsed the Birmingham based Environmental Litigation Group for a former plumber or skilled trades worker who has just been diagnosed with mesothelioma or lung cancer anywhere in Alabama. The Environmental Litigation group is Alabama's top law firm for people with mesothelioma and asbestos exposure lung cancer and they consistently get top compensation results for their clients. For direct access to the lawyers at the Environmental Litigation Group please call 866-714-6466.

The group says, "We are advocates for people with mesothelioma and asbestos exposure lung cancer and the reason we are so focused on plumbers or skilled trades workers with these cancers is because they would have had so much exposure to asbestos on the job prior to the early 1980s. A plumber might have had asbestos exposure on a routine basis before 1983 that might have exceeded that of a shipyard worker in Mobile.

"If your husband or dad has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Alabama, please call the Birmingham based lawyers at the Environmental Litigation Group at 866-714-6466. We are very certain you will be very glad you did."
