

Acmetek Rebrands as Quantum PKI, Pioneering the Future of Digital Trust

HIGHLAND PARK, IL, UNITED STATES, November 8, 2024 /EINPresswire.com/ -- Acmetek, a trusted leader in Public Key Infrastructure (PKI) and digital security, proudly announces its rebranding to Quantum PKI. This strategic transformation represents a significant milestone in the company's journey, underscoring its commitment to leading the industry into the quantum era with cutting-edge solutions that establish and maintain digital trust and security.

Founded in 2010, Acmetek has built a stellar reputation for delivering comprehensive PKI management and digital certificate solutions. Quantum PKI will continue to build on this legacy, offering independent, agnostic consulting services to simplify the complexities of PKI for organizations worldwide. As a master consultant, Quantum PKI helps clients navigate the vast landscape of PKI vendors, providing expert guidance to secure the best solutions at brokered pricing.

Kevin Naidoo, Founder and Lead Engineer at Quantum PKI, remarked:

"Rebranding as Quantum PKI is a strategic step forward, reinforcing our role as trusted guides in the complex world of digital security. As we enter the quantum era, our focus remains on

simplifying PKI complexities for our clients and ensuring the security of their digital assets."

Why Quantum PKI?

Quantum computing introduces a new technological frontier that challenges current cryptographic methods. Quantum PKI is dedicated to guiding businesses through this evolving landscape, offering robust, quantum-resistant PKI solutions that safeguard against emerging threats.

Cybersecurity

Our Brand Promise

At Quantum PKI, we don't just sell products—we deliver comprehensive, tailored solutions. Our agnostic approach prioritizes our clients' needs, providing expert guidance and customized PKI and cybersecurity services to ensure seamless and secure digital operations. Whether deploying new PKI infrastructure, managing digital certificates, or preparing for the quantum era, Quantum PKI remains your trusted partner in achieving digital freedom.

Judy Gounden, Chief Marketing Officer at Quantum PKI, stated:

"This rebrand goes beyond a name change; it embodies our vision of empowering clients with the digital freedom to thrive in an increasingly complex environment. At Quantum PKI, we're committed to delivering cutting-edge solutions alongside an exceptional customer experience. We're here to guide our clients through every challenge, ensuring they feel secure, supported, and ready for the future."

Evolving into an Agnostic Master Consultant

Quantum PKI has evolved into a comprehensive, agnostic master consultant, offering a wide range of PKI solutions across multiple vendors and partners. The company has expanded its partnerships with leading value-added resellers like CDW, Insight, and Dell, further enhancing its global reach. Additionally, strategic relationships with top tech vendors, including DigiCert, GlobalSign, Keyfactor, Sectigo, and HID IdenTrust, allow Quantum PKI to deliver customized PKI and cybersecurity solutions to meet any client's specific needs.
