Navy, EmilyGrace joins Neo Group with over two decades of operational experience leading enterprise-wide transformations at companies and government entities.

"EmilyGrace's extensive experience driving enterprise transformations to improve processes and performance is a perfect fit for Neo Group's expanded BPS offering," said Atul Vashistha, Chairman and Founder of Neo Group. "Neo BPS is an operational innovation designed to address the overwhelming majority of enterprises that are not realizing the full benefit of their sourcing programs."

Neo BPS provides extended teams and solutions supporting the entire sourcing and vendor management lifecycle on an ongoing basis. Neo teams leverage client or proprietary applications to accelerate value creation and eliminate leakage while creating transparency. Services include accelerated and secure vendor onboarding, risk assessments, and ongoing governance reporting, monitoring, and management.

"I'm so pleased to be a part of the great team at Neo Group and lead Neo BPS," shared EmilyGrace. "I am excited to bring our new Neo BPS capabilities to our clients. Our work shows that over 70% of the vendor management programs at companies do not realize the full benefit of their sourcing programs. Neo BPS will enable enterprises to lock in gains and eliminate value leakage."

Neo Group was recently announced as a 2024 Future of Sourcing Awards [Innovations in Governance](#) Winner.
