□□□□□□□□□□:

Employee benefit insurance refers to a range of insurance products that provide coverage and financial protection for employees. This includes health insurance, disability insurance,

retirement plans, and other benefits that companies offer to attract and retain talent. The market is driven by rising healthcare costs and a growing emphasis on employee well-being and satisfaction. As organizations seek to improve their benefits offerings, they are increasingly integrating wellness programs and telehealth services, though they must navigate regulatory challenges and the high cost of coverage.
