

U.S. SENATOR TAMMY DUCKWORTH & LET'S TALK WOMXN

CHICAGO, IL, UNITED STATES, November 1, 2024 /EINPresswire.com/ -- We invite you to an evening to rally votes, rally funds, and rally policy on the eve of this historic election. Hear powerful policy soapboxes from leaders across walks:

U.S. Senator Tammy Duckworth, former Mayor Lori Lightfoot, Pulitzer finalist author Rebecca Makkai, policy commentator Jill Wine-Banks, Chicago Riverwalk leading architect Carol Ross Barney FAIA, CEO YMCA Chicago Dorri McWhorter, and Let's Talk Womxn & Vermilion founder Rohini Dey, PhD. These leaders will stand on a soapbox with 6-minute crisp policy talks.

The evening also features Kamala/Democracy/Freedom gourmet food stations & cocktails by Let's Talk Womxn restaurateurs, proud women-owners, and employers. Men and all allies are very welcome. This is an interactive, intellectually provocative, gourmet evening to support the Harris campaign and Harris Victory Fund.

This evening is a collaboration by women leaders and entrepreneurs to amplify policy perspectives to fortify women in the US and to fortify our democracy. "I'm proud to host this evening at this pivotal juncture of a 235-year overdue woman President. When so much is at stake for women's rights and our democracy, we're doing all we can to ensure the right and historic outcome versus a calamitous one," says Let's Talk Womxn & Vermilion Founder Dey, PhD.
