Tim Conn, Founder and President of Image One USA

Nicole and Nico, both military veterans, bring a wealth of experience from their professional backgrounds. Nicole, a health practitioner, and Nico, a conflict resolution mediator, are parents to six children. They see their new Image One franchise as an opportunity to create generational wealth and a lasting family legacy. “We knew that entrepreneurship meant walking the walk for our family's future, and franchising with Image One was the perfect way to do it,” says Quiles. “It's an incredible

opportunity that aligns with our values of faith, family, and service to the community.”

Nicole and Nico's journey to franchise ownership was inspired by a penchant for entrepreneurship and the potential for a business model that offers flexibility and support, helping them achieve their goals while balancing family life. “We chose Image One because, from our first interaction, we could tell it was a family-oriented organization that truly supports its franchisees. From the first conversations with Michael and Tim, we felt like part of the family,” says Cuevas. “The training was comprehensive and included everything from business management to customer engagement, which gave us the confidence to hit the ground running

and open our doors quickly and effectively.”

As bilingual owners, Nicole and Nico are excited to bring an added advantage to their region by connecting with a diverse client base across the greater Milwaukee area. In their new role, Nicole and Nico look forward to making a difference in their community through their services and values. “We hope to be positive role models and business neighbors by fostering a close-knit, community-first approach,” Cuevas explains. Their franchise aims to support a variety of local organizations, from business parks to faith-based institutions, creating opportunities for employees who want to grow and better their lives.

Reflecting on their military backgrounds, Nicole and Nico share a strong foundation in

attention to detail, discipline, and equality—qualities they see as essential in business. “The military taught us the value of hard work and integrity. As franchise owners, we want to show our children that anything is possible with hard work and commitment,” says Nicole.

“Our team is absolutely thrilled to bring Nicole and Nico into the Image One family, ” said Tim Conn, CEO and Founder of Image One USA. “With Nico and Nicole’s background and dedication to family, I’m confident that they will find success and represent the Image One name well. From our first interaction, I could tell they aligned with our company’s core values and had the determination necessary to achieve their goals through franchising.”

With Image One’s support, Nico and Nicole look forward to building a thriving business that not only meets the needs of local businesses but also sets an example for their children and the Milwaukee community. They are eager to begin a new chapter in their professional journeys and make a lasting impact on their family, neighbors, and community.
