LABUSA*

participating as an exhibitor at the [Africa Tech Festival 2024](#), taking place from November 12-14 at the Cape Town International Convention Centre. LABUSA will be showcasing its cutting-edge IT infrastructure, cloud solutions, and managed services.

Africa Tech Festival is the largest and most influential tech event on the continent, bringing together industry leaders, technology experts, and businesses to explore opportunities for advancing technology in Africa. As a key player in the IT and managed services industry, LABUSA aims to contribute to the festival's focus on digital transformation and innovation by showcasing its range of

solutions designed to support modern businesses in Africa and beyond.

LABUSA will demonstrate how its managed services and cloud solutions help organizations enhance operational efficiency, improve security, and create cost-effective digital business models. With expertise in integrating public, private, and on-premises computing systems, LABUSA enables businesses to leverage the power of an open hybrid cloud strategy for greater flexibility and scalability.

About LABUSA

LAB Information Technology Incorporated (LABUSA) is a managed service provider that helps organizations build a robust digital business model. Through an open hybrid cloud strategy, LABUSA provides managed services that integrate public, private, and on-premises computing systems with intelligent edge devices. LABUSA's solutions extend efficiency, security, reliability, and cost-effectiveness for digital transformation. Federal, state, and local governments, as well as businesses worldwide, trust LABUSA for its cloud-based solutions that manage risk and reduce costs.
