

TrueNAS Wins TrustRadius 2025 Buyer's Choice Award for Exceptional Value and Customer Experience

TrueNAS honored by TrustRadius for customer satisfaction, reliability, and exceptional value in enterprise data storage.

SAN JOSE, CA, UNITED STATES,
November 4, 2024 /EINPresswire.com/
-- iXsystems, the company behind [TrueNAS](#) Enterprise storage solutions, today announced that TrueNAS has been recognized with the inaugural 2025 Buyer's Choice Award from [TrustRadius](#), a leading customer review platform for business technology. The award honors products rated highest by customers for capabilities, value, and customer relationships, highlighting TrueNAS's dedication to providing reliable, enterprise storage solutions.

The leader in open enterprise storage.

“

This recognition by TrustRadius is a testament to the value our users see in TrueNAS. Tremendous thanks to our customers who took the time to share their TrueNAS experiences with the world.”

Brett Davis, Executive Vice President at iXsystems

The TrustRadius Buyer's Choice Award is entirely based on verified customer reviews, emphasizing the significance of unbiased feedback in recognizing product excellence. TrueNAS has earned a 9.1 out of 10 rating on TrustRadius from dozens of customers, demonstrating its excellence in security and performance capabilities, value for price, and customer support. TrueNAS's recognition reaffirms its commitment to delivering quality, transparency, and true customer satisfaction.

"Input from our customer community is integral to the TrueNAS development process, and this recognition by TrustRadius is a testament to the value our users see in

TrueNAS," said Brett Davis, Executive Vice President at iXsystems. "We remain committed to helping our customers leverage open storage to simplify operations, reduce costs, and enhance

data protection. The Buyer's Choice Award speaks to our continuous mission of providing open and reliable storage solutions that deliver peace of mind. Tremendous thanks to our customers who took the time to share their TrueNAS experiences with the world."

TrueNAS is open enterprise storage, trusted globally from the data center to the edge. Built around the legendary ZFS file system, it offers high-performance, reliable, and scalable storage solutions for enterprises and small businesses, excelling in virtualization, media production, backup, and big data workloads, with robust data protection, cloud integration, and multi-protocol support. Winning the Buyer's Choice Award, one of several awards TrueNAS has won in the past year, further demonstrates the success of open enterprise storage in addressing customer needs and providing exceptional value.
