

# Join the Top 1% of Web3: VAP Group Presents Global Blockchain Show in Dubai

DUBAI, UNITED ARAB EMIRATES, November 6, 2024 /EINPresswire.com/ -- The [Global Blockchain Show](#) is pleased to announce its second edition, taking place on December 12 and 13, 2024 at the Grand Hyatt Exhibition Centre, Dubai. Organized by web3 and artificial intelligence consulting giant [VAP Group](#), the two-day show will provide an opportunity to network with the top 1% of the web3 community by bringing together founders, solution providers, experts and enthusiasts from around the world under one roof.

“The Global Blockchain Show is more than just a one-time event. It is designed to be the ultimate blockchain mixer where attendees will go on a continuous journey through the dynamic world of blockchain technology and unwind with the ‘who’s who’ of the industry,” said Vishal Parmar, Founder and Chief Executive Officer of VAP Group.

Speakers such as:

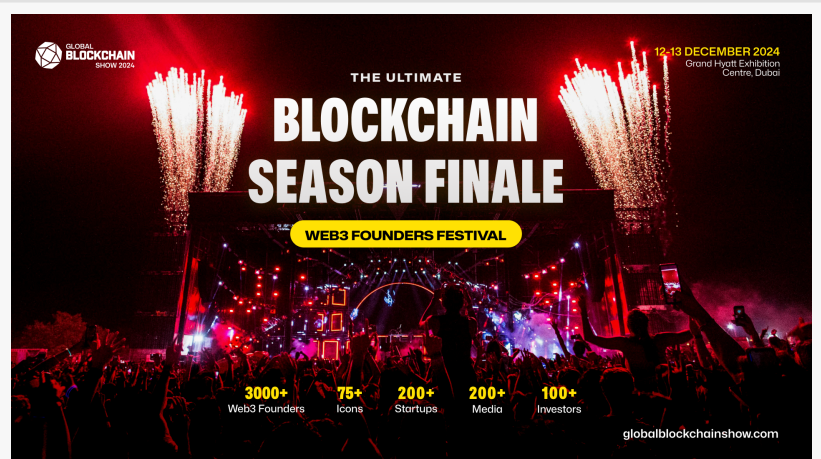

Yat Siu – Co-Founder and Chairman, Animoca Brands

Dr. Marwan Alzarouni – CEO/CEO AI, Dubai Blockchain Center/Dubai Economy & Tourism

H.E. Justin Sun – Founder/Global Advisory Board, TRON/HTX Global Advisory Board

... and many more will deliver groundbreaking insights and announcements at the highest level.

Themes including digital currency, blockchain regulations and Web3 gaming will deep-dive into real-life applications, while workshops will provide practical 'how-to' frameworks, models, implementation guidance, and success metrics.

The Global Blockchain Show is the only event that gives you a 360-degree roadmap of how individuals can leverage blockchain technology effectively. And it does not stop there. Monthly virtual roundtable conferences, quarterly reports, private project meetings and much more are set to take place all year round to ensure that the story of blockchain's impact, innovation and integration is told in its entirety.

Additionally, the Global Blockchain Show is led by a multidisciplinary advisory board, composed of industry leaders and experts such as Ida Mok, Chief Strategy Officer, W3GG, President, Women in Blockchain Asia; Christian Gleich, International Ambassador, European Blockchain Association; Nena Dokuzov, Coordinator, Strategy of Digital Transformation of Economy, Ministry of the Economy, Tourism, and Sport, Slovenia, among others. The board will regularly meet to discuss key industry developments through the year as well as be the committee steering the discussions that happen live on stage.

"With a community of over 110,000, the Ultimate Blockchain Season Finale is set to open up opportunities to network with some of the most influential voices in the industry, all gathered together in a common area," said Vishal Parmar.
