

RETIRED BIOPHYSICIST REVEALS A FAITH-DRIVE LIFE IN 'IMMORTAL TO THE END: A CHALLENGING TRUE STORY OF THE SUPERNATURAL'

Charles Pallaghy's 114-page memoir unveils his journey to faith and his perspective on Jesus' second coming.

TORONTO, ONTARIO, CANADA, November 5, 2024 /EINPresswire.com/ -- Charles Pallaghy, born in Hungary during World War II, has lived a life characterized by miraculous escapes and divine protection. From surviving the war's final years in Germany to overcoming personal and financial crises, Pallaghy attributes his survival to God's providence. Since devoting his life to God in 1976, he has been guided by visions, dreams, and a deep-seated faith that has seen him through life's greatest challenges.

Immortal to the End: A Challenging True Story of the Supernatural

Moved by these divine interventions, Pallaghy was propelled to write a 114-page memoir titled "Immortal to the End: A Challenging True Story of the Supernatural", which delves into his unwavering belief that he is destined to survive until the Second Coming.

In 2020, the retired biophysicist and author presented a series of studies on the End Times at his church. Although the series sparked controversy among church elders, it captivated a dedicated group of attendees, revealing profound insights and stirring deep emotions. A young attendee's revelation of a divine message that mirrored Pallaghy's own further cemented his belief in the supernatural.

Pallaghy's journey also touches on his personal life, including the loss of his first wife, Milena, in 2021, and his subsequent marriage to Gloria, a devout widow and former Senior Pastor of the

AOG church in Papua New Guinea. Together, they continue to share their faith and inspire others with their remarkable story.

His book, "Immortal to the End: A Challenging True Story of the Supernatural" challenges readers to test the truth of Pallaghy's claims, follow his journey, and explore the possibility of divine intervention in their lives. Now available on Amazon and other online bookstores, this book offers a powerful testament to faith, human resilience, and the mysteries of the supernatural.
