

Zylpha Ltd Selected as Approved G-Cloud 14 Supplier

Expanding Cloud Service Access for The Public Sector

SOUTHAMPTON, HAMPSHIRE, UNITED KINGDOM, November 6, 2024

[/EINPresswire.com/](#) -- [Zylpha Ltd](#), a leader in legal document bundling, is pleased to announce its successful inclusion as a supplier on the [UK Government's G-Cloud 14 framework](#).

With many public sector legal teams as clients, this further supports their commitment to providing innovative cloud-based solutions to a broad range of public sector organisations, including local authorities, central government bodies, and healthcare services.

What is G-Cloud 14?

G-Cloud 14 is the latest iteration of the UK Government's G-Cloud framework. This framework simplifies the procurement process for public sector organisations by providing a pre-validated supplier list, ensuring compliance, and offering access to an expanded range of cloud services, including:

- Cloud Hosting Services:

Infrastructure as a Service (IaaS) and Platform as a Service (PaaS) solutions that enable organisations to deploy, manage, and run software efficiently.

- Cloud Software Services:

Software as a Service (SaaS) applications that are accessible over the internet and hosted in the cloud.

- Cloud Support Services:

Comprehensive support for setting up and maintaining cloud solutions, including migration planning, security services, and ongoing support.

Zylpha will offer its online [document bundling software](#) through Cloud Software Services and Cloud Support Services.

The Benefits of G-Cloud 14

- Access to Multiple Suppliers:

Public sector organisations can choose from a wide range of suppliers, ensuring competitive pricing and innovative solutions.

- Quick & Easy Route to Market:

The framework simplifies the procurement process, allowing organisations to quickly access the latest cloud technologies.

- Innovation and Technology:

G-Cloud 14 provides access to cutting-edge cloud-based solutions, fostering innovation within the public sector.

Tim Long, CEO & Founder of Zylpha Ltd commented on the news:

"Zylpha is honoured to be part of the G-Cloud 14 framework. Our secure online document bundling software has transformed how legal teams create data-sensitive document bundles, and now, through G-Cloud 14, we are able to support an even wider range of public sector organisations."
