Future Amenity Center at Westport

Westport plans include brand-new ranch and two-story homes being built for the first time in the Charlotte area. This community includes two different product offerings, the Tradition Series, which appeals to individuals and families, as well as the Freedom Series, which is designed with active adults in mind. These thoughtfully planned homes feature stylish open-concept designs with living spaces ranging from 1,597 to 3,490 square feet. Floorplans include three to five bedrooms, two to three baths and a two-car garage. Home amenities include chef-inspired kitchens with modern cabinetry and stainless-steel appliances, large walk-in closets and LVP flooring. Each home includes sodded yards with landscape packages, and the Freedom Series homes include irrigation as well.

Homes in this community also come equipped with smart home technology, allowing homeowners to easily control their home from any place at any time. With a video doorbell, garage door control, lighting, door lock and smart thermostat, all controlled through one convenient app, the ability to adjust the temperature or turn on the lights is conveniently at your fingertips.

The community amenities are what truly set Westport apart. Homeowners will enjoy planned

resort-style amenities with a large swimming pool and a state-of-the-art clubhouse. This gathering place for residents is expected to include a 24-hour fitness center with a yoga studio, a fully stocked game room and a screened lanai. Additional amenities include a playground, pickleball courts, fire pit area, grilling stations, walking trails and a parking lot set up with electrical outlets to accommodate food trucks.

The community's location in York is the ideal spot for all – located near SC-274 and a short distance from I-77. Residents are a short drive away from adventures at Lake Wylie and Charlotte. Families with school-aged children will have access to education from the Clover School District. Westport is located near Nanny Mountain, Allison Creek Park and so much more! The model home and sales office are located at 6089 Campbell Road, York, SC 29745.
