EINPresswire.com/ -- "The Investment Revolution: How to Take Control of Your Financial Future" by Francis Gingras Roy is published with Forbes Books, the exclusive business book publishing imprint of Forbes. The new book is available today [on Amazon](#).

In "The Investment Revolution", F.G. Roy, an acclaimed Investment Advisor, writes to anyone ready to control their financial future. With an unbiased, clear-eyed approach, Roy laments the shortcomings of traditional investment advice and offers refreshing guidance on achieving financial independence and retiring early.

His book covers such critical topics as:

- Common risks to retirement investing.
- Understanding ESG investing (Environmental, Social, and Governance).
- Overcoming investment bias.
- A brief history and explanation of cryptocurrency.
- The power of compounding interest.
- The importance of a written financial plan.

"For most people, financial freedom seems to be an elusive goal. There are so many demands on their finances that they sometimes wonder how they will ever keep up, let alone get ahead," Roy
