

# SacValley MedShare Completes Phase 1 of Admission, Discharge and Transfer Integration with Dignity Health

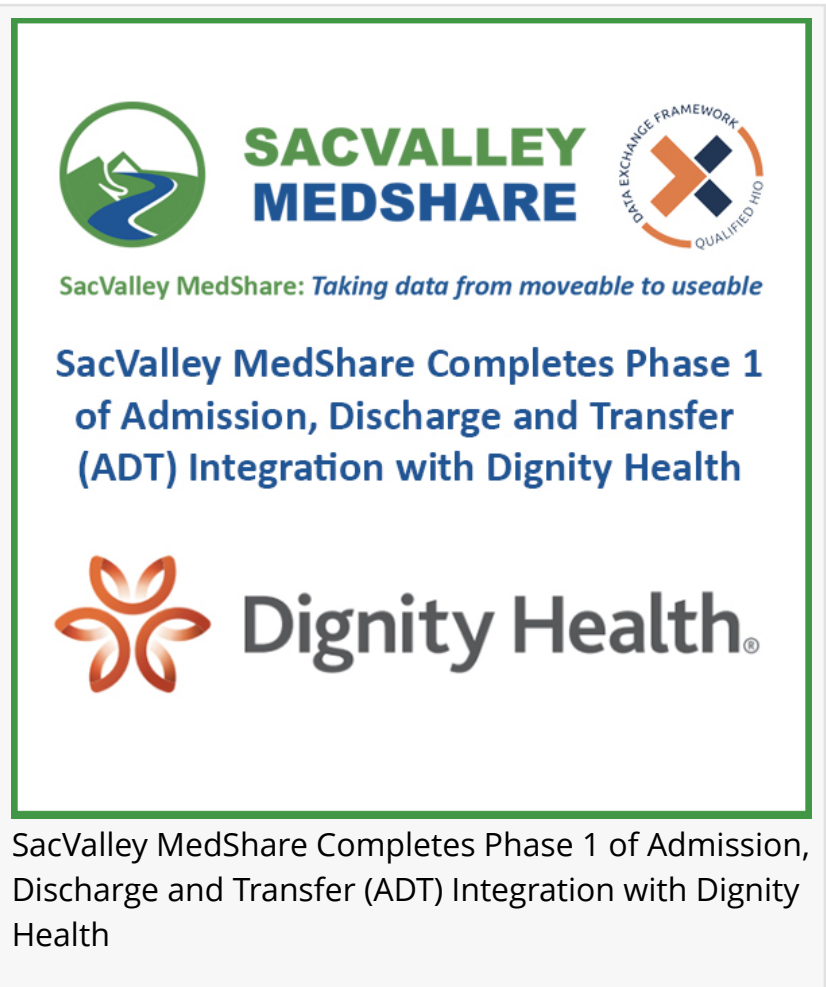

*Phase 1 includes Dignity Health hospitals from Central California, Bay Area, Sacramento, and North State regions.*

CHICO, CA, UNITED STATES, November 6, 2024 /EINPresswire.com/ -- SacValley MedShare QHIO is pleased to announce the completion of Phase 1 of its Admission, Discharge, and Transfer (ADT) integration with Dignity Health. This milestone represents a significant advancement in healthcare interoperability and patient care coordination across multiple regions, meeting the data-sharing mandates outlined in AB 133, the [Data Exchange Framework \(DxF\)](#), as defined in [Health and Safety Code Section 130290](#) under the California Health & Human Services Agency.

Phase 1 of this integration includes Dignity Health hospitals from Central California, Bay Area, Sacramento, and North State regions. With this phase now live, participating hospitals are equipped to send ADT (Admit Discharge & Transfer) messages directly to SacValley MedShare, enabling efficient and secure sharing of vital patient information to caregivers.

"Completing Phase 1 of ADT integration with Dignity Health marks a significant milestone in SacValley MedShare's mission to advance interoperability and improve patient care across California and taking data from moveable to useable!" said John Helvey, Chief Executive Officer of SacValley MedShare.

The following Dignity Health hospitals are now live and actively sending ADTs to SacValley

MedShare:

Bakersfield Memorial Hospital  
Dominican Hospital Santa Cruz  
Mercy General Hospital  
Mercy Hospital Bakersfield  
Mercy Hospital of Folsom  
Mercy Medical Center Merced  
Mercy Medical Center Mt. Shasta  
Mercy Medical Center Redding  
Mercy San Juan Medical Center  
Methodist Hospital of Sacramento  
Sequoia Hospital  
Sierra Nevada Memorial Hospital  
St. Elizabeth Community Hospital  
Woodland Memorial Hospital

This ADT integration marks a key step forward in supporting the implementation of the CalHHS Data Exchange Framework (DxF) real-time data exchange across Dignity Health hospitals, empowering providers with access to timely patient information, enhancing care coordination, and improving patient outcomes.

SacValley MedShare remains dedicated to expanding this integration, with additional phases planned to bring all Dignity Health hospitals and clinics in California into the network.
