Spartan Forge Giveaway

Spartan Forge was founded by Army Intelligence Veteran, Bill Thompson - whose mission to bring military-grade AI precision to the outdoors is matched by his dedication to standing alongside the Veteran community. In addition to pioneering tools that enhance the hunter's experience, Thompson and his team have actively supported military and civilian relief efforts, recently donating hundreds of free Spartan Forge accounts for [Save Our Allies's](#) ground teams assisting with rescue and recovery in the wake of Hurricane Helene and Hurricane Milton. This November's campaign builds on Spartan Forge's history of giving, including previous fundraising efforts for [Heroes and Horses](#) and a commitment to provide tangible support for Veterans.

"We invite everyone to support Save Our Allies and Heroes and Horses. Together, we're building something bigger than ourselves." said Bill Thompson, Founder of Spartan Forge.

We're here to do more than just enhance outdoor intelligence - we're here to empower Veterans to reconnect with the healing power of the outdoors and find renewed purpose."
