-- Orlando College of Osteopathic Medicine ([OCOM](#)) is excited to announce a new partnership with [AdventHealth University](#) (AHU) that provides OCOM students and employees a streamlined pathway to obtain a Master of Healthcare Administration (MHA) degree. This partnership

“

At AdventHealth University, our mission is to develop health care professionals who are influential, highly skilled, and compassionate. We are so grateful to partner with OCOM on this opportunity.”

*Benita David, DBA, MBA*

includes two exclusive benefits: a 10% discount on tuition for all OCOM participants and guaranteed admission. Criteria for guaranteed admissions is having earned a graduate degree.

This collaboration aims to enhance the career development of OCOM's future physicians, administrators, and healthcare leaders, while supporting employees who wish to further their education in healthcare administration. The Master of Healthcare Administration in Strategy and Innovation program at AHU is designed to equip participants with the necessary skills to manage

complex healthcare organizations, aligning with OCOM's mission of fostering modern, well-rounded healthcare professionals.

Dr. Robert Hasty, Dean and Chief Academic Officer at OCOM, shared, “This partnership reflects OCOM's commitment to providing opportunities that enhance both clinical and administrative expertise. We are proud to offer our students and employees a dedicated path to achieving leadership roles in healthcare.”

The 10% tuition discount and guaranteed admission underscore both institutions' commitment to making advanced education accessible.

“Quite often, a physician wants to better understand how the business of medicine, the business of health care works,” said Benita David, DBA, MBA, Chair of AdventHealth University’s Healthcare Administration program. “At AdventHealth University, our mission is to develop health care professionals who are influential, highly skilled, and compassionate. We are so grateful to partner with Orlando College of Osteopathic Medicine to extend our mission to their team members and students.”

This opportunity is available immediately, and interested participants can apply through AHU with proof of their affiliation with OCOM to take advantage of the exclusive benefit.
