-- [GoElite](#), Inc. is excited to announce our partnership in Hyatt's Business Travel Program, offering our students and partners, exclusive discounts and enhanced travel benefits. With this

partnership, GoElite customers can save up to 15% on qualifying stays at participating Hyatt hotels worldwide, simplifying travel arrangements and reducing expenses.

For many students attending [Day 1 CPT](#) universities, especially those who need to travel onsite multiple times a year, finding affordable accommodation for short trips can be challenging. Onsite requirements often mean added expenses for accommodations, with costs ranging from \$70 to \$200 per night depending on the city. Given that students may need to stay 2-3 days per trip, these expenses can add up quickly. GoElite recognizes this burden and is offering discounted rates through the Hyatt partnership to help alleviate some of the financial strain on students.

Here's How You Can Save:

Visit [Hyatt.com](#) and enter GoElite Code (Contact us to get it) under "Special Rates □ Corporate or Group Code." Select GoElite, Inc.'s special rate

Students and travelers can now book affordable accommodations at premier hotels while focusing on their education and work commitments. Additionally, if you're a member of the World of Hyatt program, you'll continue earning points on all qualifying stays, offering even more rewards.

At GoElite, we understand the financial pressures students face, and our goal is to make travel

more affordable, particularly for those traveling onsite to [Day 1 CPT universities](#). This partnership with Hyatt helps ease the burden and ensures our students and clients have access to comfortable accommodations without breaking the bank.
