Ltd.

The ceremony attracted 250 distinguished guests from various sectors, including corporate leaders, agile experts, and professionals from around the globe. In addition to an exquisite luncheon, attendees had the opportunity to share agile thinking experiences and discuss future trends and challenges in an elegant setting at the Grand Hotel Taipei. Former Premier Dr. Mao Chi-Kuo was a special guest, delivering a keynote speech on leadership decision-making. He emphasized the dual importance of agile thinking in both corporate environments and public policy, inspiring attendees to deeply consider agile practices.

Another highlight of the event was the outstanding contributions of the CEO Awards volunteer team. Comprising elite professionals and academic experts, the team was led by Chief Organizer Lin Hsin-Jung. Utilizing the Scrum framework for preparation and incorporating sustainable ESG principles to document each phase's progress, the volunteer team ensured the event's flawless execution.
