

Jobma and Vincere Partner to Drive Efficiency and Innovation in Recruitment

Jobma and Vincere announce a technology partnership leveraging AI and automation to drive efficiency and innovation in recruitment.

MINNETONKA, MN, UNITED STATES, November 7, 2024 /EINPresswire.com/ -- Jobma, an AI [video interviewing platform](#), announced its new technology partnership with [Vincere's](#) all-in-one software for recruitment agencies. Vincere is a recruitment ATS with a suite of AI and automation features.

Jobma says its integration with Vincere's recruitment ATS simplifies complex hiring practices, saves HR teams time and improves the candidate experience. By automating routine tasks, recruiters can focus on strategic initiatives and leverage Jobma's AI-powered solutions for efficient candidate assessment and evaluation within a unified platform.

“

This partnership will help our customers create a bias-free recruitment process and make data-driven hiring decisions.”

Krishna Kant

Vincere's automation and pre-built analytics, combined with Jobma's ethical AI capabilities, create a more efficient and bias-free hiring process.

The integration of Jobma and Vincere will enable

organizations to:

- Streamline the recruitment process from sourcing to onboarding
- Improve candidate experience through an engaging interviewing process
- Increase hiring efficiency and reduce bias in hiring
- Make data-driven hiring decisions based on AI insights

"At Vincere, we help our customers win by providing the best-in-class recruitment tools. That's why we're delighted to announce our partnership with Jobma, meaning our customers can

interview better and faster with AI. We're excited that our mutual customers will benefit from a powerful and seamless customer experience." - Christina Haslebacher, Head of Partnerships at Vincere.

"We're excited to partner with Vincere to create a truly innovative AI recruitment process and augment human decision-making," said Krishna Kant, Managing Partner at Jobma. "Together, this partnership will help our customers create a bias-free recruitment process and make data-driven hiring decisions."

Jobma and Vincere's technology partnership will empower HR teams and agencies with AI-powered solutions to streamline hiring processes and make data-driven decisions.

About Vincere
