“

We know the holiday season can be a bit much for pets. Our OPULENT Collection provides them with a secure and luxurious place to retreat when things get too lively, it's their personal sanctuary.”

Kevin Torabian

The OPULENT Collection is designed with premium materials and high-density orthopedic foam, which helps to alleviate joint pressure and improve pet comfort. The elegant design serves as both a functional piece for pets and an aesthetic addition to home decor. Created to offer pets a secure and cozy environment, the OPULENT Collection is ideal for pets in need of a space to relax.

“Pets can feel the effects of seasonal activity, and the OPULENT Collection is developed to offer them a dedicated place to unwind,” said Kevin, Founder of Club Nine Pets. “We crafted this collection to provide pets with

both comfort and style, which are central to the Club Nine Pets brand.”

The OPULENT Collection is now available for pre-order, with shipments beginning December 6th. Pre-order discounts are available for a limited time to celebrate the holiday season launch.
